History
Carleton University is unique within the Ontario university system for several reasons. It was founded in 1942 through a community movement, initiated by the YMCA, to provide non-sectarian education for the thousands of men and women who came to Ottawa in support of the war effort. Because of these roots, Carleton has, throughout its history, attempted to meet the needs of the community by making its programs and resources widely available through innovative technologies and life-long learning opportunities.

Today, Carleton stands among the best comprehensive universities in Canada. It is a dynamic, research-intensive university, committed to ensuring an outstanding learning experience for its more than 23,000 students. The University offers 65 programs of study in areas as diverse as public affairs, journalism, art and culture, engineering, high technology, and international studies.

Carleton awarded its first degrees in 1946, three in public administration and three in journalism. Sixty years later, the University has reached another milestone as we celebrate our 100,000th graduate.

Today's Convocation ceremony (the calling together of the academic assembly) has its roots in university traditions of medieval Europe.

Coat of Arms
The coat of arms was presented to the University by His Excellency The Right Honourable Ramon John Hnatyshyn, Governor General of Canada, on November 15, 1992, as part of Carleton's 50th anniversary celebrations. It is described in heraldic terms as follows: "Sable a maple leaf Gules irradiated and charged with an open book Argent; And for a Crest: on a wreath Argent Sable and Gules a Phoenix Gules quilled and beaked Or issuing from flames proper; And for a Motto: Ours the Task Eternal; And for Supporters: on a grassy mount on either side a raven Sable beaked and membered or armed Gules."

The open book on the maple leaf signifies that Carleton University is in the nation's capital and that learning is open to all who wish to partake of it. The phoenix, the legendary eternal bird, symbolizes the renewing of learning from older foundations, in recognition of Henry Marshall Tory's role in the founding of the University when he was 78 years old. "Ours the Task Eternal" is taken from a Walt Whitman poem entitled "Pioneers" and ties in with the eternal quality of the phoenix.

And so, the Carleton University coat of arms symbolizes sound learning, good citizenship, and the highest hopes of humanity.

The Mace
The mace is a staff symbolizing authority. In the days of knighthood, it was a weapon, but after the 16th century it became solely a symbol of authority carried by a distinguished member of an assembly. It is used on ceremonial occasions to signify the right of an individual or institution to perform a certain function—in the case of universities, to grant degrees.

At Convocation, the mace is carried ahead of the Chancellor as he enters and leaves each ceremony. During the ceremony the mace is displayed on a special stand as an embodiment of the authority of the University.

Carleton's mace was presented to the University in 1976 as a gift from the Chair of the Board of Governors at that time, Mr. Hyman Soloway. It is a silver-plated staff approximately three feet long. At the upper end there is a bowl marked with the University's coat of arms and the University motto in both Latin and English— "Opera Nobis Aeterna" and "Ours the Task Eternal." From the upper portion of the bowl rises a phoenix. Traditional oak leaves surround the lower end of the staff.

The Diploma
The diploma the graduates receive at Convocation is the certificate of qualification which publishes the fact that the student has fulfilled all the requirements and completed the prescribed course of study for the degree. As the senior academic legislative body of the University, it is the Senate which has determined whether the requirements have been met. The signatures of both the Chancellor and the President of the University appear on the diploma: the Chancellor because of his role in conferring the degree, and the President who, as Chair of Senate, certifies that Senate has enacted the required motion to award the degree. The Seal of the University is affixed to the diploma as a mark of authentication.

Academic Dress
The academic dress of Carleton University results from a compromise between that found in the ancient foundations of Britain and Canada and the American Intercollegiate Code. All three hoods—bachelor's, master's, and doctor's —are of the simple or Oxford shape. The bachelor's hood is made of black stuff; the master's and doctor's are made of black silk and all are lined with silver silk with two chevrons, one of red and one of black. From bachelor's to doctor's, the hoods are progressively longer and opened to show more and more of the lining.

The velvet border of the hoods denotes the degrees granted according to the following colour combinations: applied science is orange with a black cord sewn slightly in from the lower border; architecture is cerise; architectural studies is cerise with a black cord sewn slightly in from the lower border; arts is white; commerce is camel brown; computer

science is royal blue; engineering is orange; humanities is white with a red cord sewn slightly in from the lower border; industrial design is dark cardinal; international business is camel brown with a red cord sewn slightly in from the lower border; journalism is white with a black cord sewn slightly in from the lower border; management studies and business administration is camel brown with a black cord sewn slightly in from the lower border; mathematics is hunter green; music is venetian pink; public administration is peacock blue; public affairs and policy management is teal with a gold cord sewn slightly in from the lower border; science is golden yellow; social work is cream; and doctor of philosophy is purple.

The master's and bachelor's gowns, to be worn with the above hoods, are of full length, made of black stuff, with a gathered yoke behind, and long open-fronted sleeves. The doctoral gown is of full-style, made of fine royal blue cloth with facings of light blue silk, with a full gathered yoke behind, and closed sleeves with an opening at the elbows.

The two shades of blue in the doctoral gown are those of the United Nations, and are meant to recognize the University's long-standing interest, from its earliest years, in international affairs and issues. The colours were chosen when the University awarded its first honorary degree, in 1954, to the second Secretary General of the United Nations, the late Dag Hammarskjöld. The tradition of awarding honorary degrees to Secretaries General of the United Nations has continued since that time.

The gown of the honorary Doctor of Laws, Literature, Music, Science, Engineering, Architecture or Fine Arts is a full robe with bell-shaped sleeves. It is made of fine royal blue cloth with facings and sleeves in light blue silk. The hood is made of the same material as the gown, has the same lining as that for the degrees granted by examination, and is bordered with dark mauve for the degree of Doctor of Laws; vibrant blue for the degree of Doctor of Literature; venetian pink for the degree of Doctor of Music; red for the degree of Doctor of Science; orange for the degree of Doctor of Engineering; cerise for the degree of Doctor of Architecture; and dark cardinal for the degree of Doctor of Fine Arts.

Alumni Park

Weather permitting, today's Convocation reception will be held outdoors in Alumni Park, which was dedicated in 1992 at the initiative of the Carleton University Alumni Association to commemorate the University's 50th anniversary. The picturesque fountain pool, lush flower gardens, tall trees, and a spectacular view of the Rideau River make this park a favourite meeting place for students, faculty, and staff, and an excellent location to take commemorative photos.

After leaving federal politics, he chaired the review committee reporting to the Ontario government on the future of the province's power generation company and co-chaired an independent Task Force on the Future of North America for the Council on Foreign Relations. O Canada! Our home and native land!

True patriot love in all thy sons command.

With glowing hearts we see thee rise,

The True North strong and free!

From far and wide, O Canada,

We stand on guard for thee.

God keep our land glorious and free!

O Canada, we stand on guard for thee.

O Canada, we stand on guard for thee.

O Canada! Terre de nos aïeux,

Ton front est ceint de fleurons glorieux.

Car ton bras sait porter l'épée,

Il sait porter la croix.

Des plus brillants exploits.

Et ta valeur, de foi trempée,

Protégera nos foyers et nos droits.

The University Medal for Distinguished Teaching

The University Medal for Distinguished Teaching was established in 2006 to encourage and celebrate excellent teaching at Carleton University. Teaching is one of the University's primary functions and this award encourages members of faculty to seek constantly to improve their teaching so that our students are given a rich and satisfying educational experience. The award also recognizes those faculty members who share ideas and teaching/learning materials with colleagues for the improvement of university teaching. Award winners will also be considered for possible nomination for external teaching awards, such as the 3M Teaching Fellowship Awards and the OCUFA Teaching Awards

Dr. Timothy Pychyl, a Carleton University Associate Psychology Professor, is touted worldwide for his expertise on procrastination—something he never does in the classroom! His students remark on his innovative, engaging, and passionate teaching style with comments such as: "You give me faith in myself" and "Has me strive beyond what I felt I was capable of, but what he knew I was capable of."

Pychyl has won numerous teaching awards including the highest Canadian honour—the 3M Teaching Fellowship (1999). The founding Executive Director of the Institute for the Advancement of Teaching in Higher Education, Pychyl has extended his work nation wide. His colleagues from across Canada are unanimous in their praise for his leadership noting that "he is an influential leader in faculty development and the advancement of higher education" and in this regard he "stands out as one of the country's most impressive academics."

Pychyl is the Graduate Chair in the Department of Psychology and is cross-appointed to the Centre for Initiatives in Education and the School of Linguistics and Applied Language Studies. He is a proud alumnus of Carleton where he earned his Ph.D. in 1995.

General John de Chastelain

General John de Chastelain, O.C., C.M.M., C.D., C.H., LL.D., B.A.

General John de Chastelain, former ambassador and career soldier, will be awarded the degree of Doctor of Laws, *honoris causa*, at the 2:00 p.m. ceremony on Friday, June 16, "in recognition of an outstanding military career."

General de Chastelain was born a British subject in Bucharest, Romania. He immigrated to Canada in 1955 and joined the Militia as a Private in the Calgary Highlanders. In 1956 he transferred to the Regular Army and in 1960 graduated from the Royal Military College of Canada with a degree in history and a commission in the Princess Patricia's Canadian Light Infantry.

General de Chastelain rose quickly through the ranks, serving on regimental duty in Canada, Germany, and Cyprus. In 1989 he was promoted to General and was appointed Chief of the Defence Staff. Transferring to the Reserves in 1993, he was appointed Canada's ambassador to the United States, but one year later was recalled to active duty and once again was named Chief of the Defence Staff. In 1995, he retired from his post and was appointed to the International Body on the Decommissioning of Arms in Northern Ireland. In 1997 he was asked to chair the Independent International Commission on Decommissioning in Northern Ireland. He helped forge the Belfast agreement, the blueprint for peace in Northern Ireland, signed on Good Friday 1998.

General de Chastelain and his wife MaryAnn live in Ottawa, and they have a son, a daughter, and five grandchildren.

O Canada! Our home and native land!

True patriot love in all thy sons command.

With glowing hearts we see thee rise,

The True North strong and free!

From far and wide, O Canada,

We stand on guard for thee.

God keep our land glorious and free!

O Canada, we stand on guard for thee.

O Canada, we stand on guard for thee.

O Canada! Terre de nos aïeux,

Ton front est ceint de fleurons glorieux.

Car ton bras sait porter l'épée,

Il sait porter la croix.

Ton histoire est une épopée,

Des plus brillants exploits.

Et ta valeur, de foi trempée,

Protégera nos foyers et nos droits.

Protégera nos foyers et nos droits.

Carleton University Students' Association Honour Award for Service
